Q1. First name: Andy

Q2. Last name: Hutchinson

Q3. Phone: not answered

Q4. Mobile: not answered

Q5. Email: not answered

Q6. Postcode: 

Q7. Country: Australia

Q8. Stakeholder type: Individual

Q9. Stakeholder type - Other: not answered

Q10. Stakeholder type - Staff: not answered

Q11. Organisation name: not answered

Q12. What is your preferred method of contact?: Email

Q13. Would you like to receive further information and updates on IFOA and forestry matters?: No

Q14. Can the EPA make your submission public?: Yes

Q15. Have you previously engaged with the EPA on forestry issues?: No

Q16. What parts of the draft Coastal IFOA are most important to you? Why?
   Access to the forests and the management of the forests in such a way that it works in harmony with the natural cycle of nature.

Q17. What parts of the draft Coastal IFOA do you think have a positive outcome on the management of environmental values or the production of sustainable timber? Why?
   not answered
Q18. What parts of the draft Coastal IFOA do you think have a negative outcome on the management of environmental values or the production of sustainable timber? Why?

not answered

Q19. What are your views on the effectiveness of the combination of permanent environmental protections at the regional, landscape and operational scales (multi-scale protection)?

not answered

Q20. In your opinion, would the draft Coastal IFOA be effective in managing environmental values and a sustainable timber industry? Why?

not answered

Q21. General comments

I'm just someone who likes getting out into nature and I feel that the logging industry as it currently stands is working against the natural ecosystem. These forests could be amazing tourist destinations if the old growth wood was preserved.

Q22. Attach your supporting documents (Document 1)

not answered

Q23. Attach your supporting documents (Document 2)

not answered

Q24. Attach your supporting documents (Document 3)

not answered
