None.
Q18. What parts of the draft Coastal IFOA do you think have a negative outcome on the management of environmental values or the production of sustainable timber? Why?

Profits before sustainability.

Q19. What are your views on the effectiveness of the combination of permanent environmental protections at the regional, landscape and operational scales (multi-scale protection)?

This will allow logging of the habitat of recognised World Heritage species and threaten unique rainforest ecotones.

Q20. In your opinion, would the draft Coastal IFOA be effective in managing environmental values and a sustainable timber industry? Why?

No. Removing the need to look for and protect core Koala habitat before logging, while zoning 43% of the highest quality Koala habitat for clearfelling.

Q21. General comments

The area has already been dramatically changed from when Europeans first arrived. Why keep destroying it?
