Hands off our Forest

Tibkabell aged 6

The trees & forests are of the Earth, humans are custodians of the natural Earths habits. Corema

S. Forest is a powerful spirit of Mother Gulaga & the surrounds.

We know the Real reason for why you want to desimate this men.
And it has nothing to do with logs/wood.

We - the people - are the custodians of the Earth. "We" have spoken.

No more deforestation
