Q12. **What is your preferred method of contact?**
Phone

Q13. **Would you like to receive further information and updates on IFOA and forestry matters?**
Yes

Q14. **Can the EPA make your submission public?**
Yes

Q15. **Have you previously engaged with the EPA on forestry issues?**
No

Q16. **What parts of the draft Coastal IFOA are most important to you? Why?**
Native animal conservation. The current rate of land clearing is unsustainable. This is having a substantial impact on native animals and yet the government doesn’t seem to care at all

Q17. **What parts of the draft Coastal IFOA do you think have a positive outcome on the management of environmental values or the production of sustainable timber? Why?**
None
Q18. What parts of the draft Coastal IFOA do you think have a negative outcome on the management of environmental values or the production of sustainable timber? Why?

All of them. Forestry industries are a dying industry. Clearing land in such ways is no longer sustainable.

Q19. What are your views on the effectiveness of the combination of permanent environmental protections at the regional, landscape and operational scales (multi-scale protection)?

I don't think the government is even close to getting this right.

Q20. In your opinion, would the draft Coastal IFOA be effective in managing environmental values and a sustainable timber industry? Why?

No. The timber industry causes havoc on our natural environment.
