Q16. What parts of the draft Coastal IFOA are most important to you? Why?  

All proposed logging of old growth forests and destruction of wildlife corridors. It is not just important to myself but to future generations. We have to educate others in the importance of nurturing of all forests for the biodiversity of the forest. There has to be a way we can create economic jobs for the logging communities in other ways of conservation through tourism and at the same time educating significant cultural environmental, experiences to visitors in our majestic forests and coastal areas.
