   Individual

Q9. Stakeholder type - Other
   not answered

Q10. Stakeholder type - Staff
   not answered

Q11. Organisation name
   not answered

Q12. What is your preferred method of contact?
   not answered

Q13. Would you like to receive further information and updates on IFOA and forestry matters?
   No

Q14. Can the EPA make your submission public?
   Yes, but anonymous

Q15. Have you previously engaged with the EPA on forestry issues?
   not answered

Q16. What parts of the draft Coastal IFOA are most important to you? Why?
   Felling and Koalas

Q17. What parts of the draft Coastal IFOA do you think have a positive outcome on the management of environmental values or the production of sustainable timber? Why?
   not answered
Q18. What parts of the draft Coastal IFOA do you think have a negative outcome on the management of environmental values or the production of sustainable timber? Why?

Clear felling in environmentally damaging. We should be increasing production of hemp products, not trying to fell timber on a large scale. We are significantly reducing koala habitat at a time when we should be valuing our natural environment for health and well-being and for tourism.

Q19. What are your views on the effectiveness of the combination of permanent environmental protections at the regional, landscape and operational scales (multi-scale protection)?

not answered

Q20. In your opinion, would the draft Coastal IFOA be effective in managing environmental values and a sustainable timber industry? Why?

not answered

Q21. General comments
