Q14. Can the EPA make your submission public?  Yes

Q15. Have you previously engaged with the EPA on forestry issues?  No

Q16. What parts of the draft Coastal IFOA are most important to you? Why?

Q17. What parts of the draft Coastal IFOA do you think have a positive outcome on the management of environmental values or the production of sustainable timber? Why?
   I don't think there is any sustainable native forest logging program which conserves our flora and fauna. It's heartbreaking. Leave them alone.
Q18. What parts of the draft Coastal IFOA do you think have a negative outcome on the management of environmental values or the production of sustainable timber? Why?

Any logging of our state or natural forests.

Q19. What are your views on the effectiveness of the combination of permanent environmental protections at the regional, landscape and operational scales (multi-scale protection)?

They need to become law to stop logging.

Q20. In your opinion, would the draft Coastal IFOA be effective in managing environmental values and a sustainable timber industry? Why?

I would hope so.

Q21. General comments

Stop logging.
