**Q12. What is your preferred method of contact?** Email

**Q13. Would you like to receive further information  
and updates on IFOA and forestry matters?** Yes

**Q14. Can the EPA make your submission public?** Yes

**Q15. Have you previously engaged with the EPA on  
forestry issues?** No

**Q16. What parts of the draft Coastal IFOA are most important to you? Why?**

I want to see logging of native timbers stopped, set up forestry farms for timber production.

**Q17. What parts of the draft Coastal IFOA do you think have a positive outcome on the management of environmental  
values or the production of sustainable timber? Why?**

not answered

**Q18. What parts of the draft Coastal IFOA do you think have a negative outcome on the management of environmental values or the production of sustainable timber? Why?**

not answered

---

**Q19. What are your views on the effectiveness of the combination of permanent environmental protections at the regional, landscape and operational scales (multi-scale protection)?**

The act lacks the protection that is necessary to ensure my grandchildren can walk in a native forest that has never been logged. We need to retain what forests we have left

---

**Q20. In your opinion, would the draft Coastal IFOA be effective in managing environmental values and a sustainable timber industry? Why?**

Not a snowball's chance in hell!

---

**Q21. General comments**

This is another example of Parliamentarians looking after their rich mates in industry, bugger the general public and what they want, our forests retained as they are.
