Not much

Q18. What parts of the draft Coastal IFOA do you think have a negative outcome on the management of environmental values or the production of sustainable timber? Why?

The scale clearing proposed can not have a positive impact on the environment at all.

Q19. What are your views on the effectiveness of the combination of permanent environmental protections at the regional, landscape and operational scales (multi-scale protection)?

I don't feel enough is being done at any level.

Q20. In your opinion, would the draft Coastal IFOA be effective in managing environmental values and a sustainable timber industry? Why?

Not sure , I feel there has not been enough public consultation on the matter

Q21. General comments

More public consultation is needed to inform the people of what you are planning to do with their assets.
