

# It's time for a Household Chemical CleanOut

HCC events are a free drive-thru service for all NSW residents.

You can drop off for free:

Garden chemicals

Pool chemicals

Household cleaners

Hobby chemicals

Paint

Poisons

Batteries

Fluoro lights

Fire extinguishers

Gas bottles

Motor oils, fluids and fuels

Vapes

Paint – up to 100L (in 20L containers).

Other household waste – up to 20L or 20kg per waste type accepted.

For site safety reasons, you must stay in your vehicle.

Any waste containers will be collected by staff and cannot be returned.

For more information visit [cleanout.com.au](https://cleanout.com.au)

## You can also drop off items with these logos:

## Transporting your materials safely

Transporting your materials safely to a Chemical CleanOut event is important. Here are some top tips for safe storage and transportation:

- Tape the terminals of batteries. If handling leaking or corroded batteries, wear gloves and place batteries in a sealed plastic bag.
- Ensure containers are clearly labelled and well-sealed. If you do not know the contents, label the container 'UNKNOWN CHEMICAL'.
- Wherever possible keep all chemicals in their original containers.
- Never mix chemicals as this may produce dangerous reactions.
- Liquid can leak during transportation. Wrap old or damaged containers in newspaper, place in a sturdy plastic bag and then in a plastic container or tray.
- Keep household chemicals away from passengers e.g. in the boot.
- Before attending, place all materials in the rear of your vehicle. On arrival, remain in your vehicle and our contractor will collect your items.

## Other recycling programs

Recycle loose **batteries** at supermarkets and hardware stores. Visit [bcycle.com.au](http://bcycle.com.au)

Recycle products with **embedded batteries** at Community Recycling Centres participating in the embedded batteries trial. For more information visit [cleanout.com.au](http://cleanout.com.au)

Return **unwanted medicine** to your local pharmacy for safe disposal.

Recycle your **mobile phone** with Mobile Muster. Visit [mobilemuster.com.au](http://mobilemuster.com.au)

Go to [recyclingnearyou.com.au](http://recyclingnearyou.com.au) to find out where you can drop off **TVs, computers or printers** for recycling.

Businesses can find out where to recycle **business waste** at [businessrecycling.com.au](http://businessrecycling.com.au)
