

Stony Creek - (Dark Blue)
 -Where chickens and livestock have been watered with or have access to creek water, **AVOID** consuming eggs, milk and home-slaughtered livestock.

Fishery Creek/Wallis Creek - (Light Blue)
 -Where livestock have been watered with or have access to creek water, **AVOID** eating home-slaughtered livestock.

General Advice
 - Where home produced eggs, milk and livestock have been watered using reticulated (town) water or rainwater, these are safe to consume.
 - People using creek water to irrigate vegetables can continue to do so.
